

The Outstanding Student Citizen Award Scheme 2023/2024

The Outstanding Student Citizen Award Scheme has been a moral and civic education program for primary and secondary students since 2012. It aims to cultivate students' citizenship and values, such as respect, inclusiveness, love and care, and responsibility, through the diversified learning activities, so as to build a solid foundation as a "Responsible Citizen". The theme of this year is "Responsibility".

Activities

1. Online selection interview (if necessary)

If the number of applicants exceeds admission quota, participants will be selected through online interview.

2. Briefing session and Interaction activity with Elderly

Briefing session will provide an overview of the program and invite the past Outstanding Student Citizen awardees to share their experiences and help students establish an understanding of responsible citizenship. Students will also learn to understand and care for the elderly through the mutual interactions.

3. Sharing from Uniformed Groups

Uniformed group representatives will be invited to share their missions and experiences, which aim at increasing students' understanding of "social cohesion" and "social stability".

4. Civic Responsibility Training Camp (Day camp)

The 1-day training camp will consist of adventure training, group collaboration games, and self-reflection activities. Students of different ages will be mixed in different groups, in which they can learn to be responsible, respect, and get along well with their groupmates with different background in the camp.

5. Wofoo Hong Kong Student Citizens Award 2023/2024 Interview

After a series of activities, participants who have performed well will be nominated to join the top ten Outstanding Student Citizens award selection, in which they can integrate and apply what they learned from the scheme during the interview.

6. The Outstanding Student Citizens Award Scheme 2023/2024 Ceremony

An award ceremony will be conducted to recognize the effort made by the participants throughout the program. It will act as a platform for them to share their feelings too. Apart from the top ten Outstanding Student Citizens awards, participants who have performed well in the program will also be awarded the certificate.
